Giving the Inside Scoop

A letter to next year's Grade 7 class

Congratulations! You have (*almost!*) completed your year in Grade 7! Now it is time for you to pass along your wisdom and knowledge to next year's batch of Grade 7 students.

You will write a letter that will be read by a Grade 7 student in September. The purpose of the letter is to inform the student what Grade 7 is all about. You can also pass along any advice, tips, tricks or secrets that you think will help them survive their year.

In your letter you must include the following:

- * A short introductory paragraph explaining who you are and why you are writing this letter
- * A paragraph outlining some of the highlights of Grade 7 (subjects, field trips, events, etc...)
- * A paragraph filled with 'inside information' about Mr. Lightbody (*be nice!* ☺)
- * A paragraph giving some tips, tricks and secrets on how to be successful in Grade 7
- * A conclusion paragraph wishing the new Grade 7 student luck
- * Ensure that your letter is properly formatted and includes both your name and date

When you have finished typing please submit it by email. **The completed letter is due on Thursday, June 25th.**

Use the space below to brainstorm some ideas that you might want to include in your letter.
