

Mother's Day Suggestions

Sunday, May 10th is Mother's Day, so we invited you to take some time to think about how you might celebrate the special women in your life. We have compiled a list of suggested activities to start you off, but we encourage you to be creative and to find ways to honour your Mom in a way that is meaningful to you.

Take a Load off Her Shoulders

Every mom has 1 or 2 jobs around the house that they simply do not enjoy doing. This weekend, ask your mom what her least favourite household chore or tasks is... and then do it for her without being asked! She will appreciate your kind gesture. 😊

Homemade Bouquet

Spring has sprung and there are many beautiful flowers and trees in bloom. Take a walk around your neighbourhood and collect a small bouquet of flowers found in nature (*be sure not to take any flowers in neighbour's yards!*). Tie your bouquet with a ribbon or some yarn. Your mom will love her hand-picked bouquet.

Directed Drawing Mother's Day Card

This link is for a directed drawing for a folding surprise Mother's Day card. The video is about 10 minutes long and shows you, step-by-step, how to make a folded Mother's Day card using only 1 sheet of paper and some colouring supplies.
