You have just won a shopping spree at Guildford Town Centre Mall. Due to social distancing directives from the BC Ministry of Health, the shopping spree will be completed online. You will not be told exactly how big the shopping spree is, but you can be sure that it is between \$5000 and \$10,000. The following stores will be supporting the shopping spree.

2. You cannot spend more than 30% of your money in any one store.
3. The store will honour all prices listed on the website, including sale prices.
4. Any unspent money is forfeited.
5. If you have less than \$25 left at the end of the spree you get a \$1000 bonus which will be awarded after the shopping spree in the form of a gift card.
6. You may not purchase the same item more than once, even at a different store. You can buy for example more than 1 pair of shoes. Just not the same shoes. You can buy more than 1 pair of pant just not the same pants.
7. Gift cards are not available for purchase.
8. There is no sales tax on the shopping spree!
